Strategic Objective:

To ensure the Ministry of Education and Youth operates in compliance with the legislative framework and policies guiding data protection, through the development of tools and instruments to monitor the implementation of programmes and the processing, storage and dissemination of national, corporate, personal and physical assets data.

Job Purpose:

Under the general direction of the Regional Director, the Data Protection Officer is responsible for the ensuring the Ministry operates in accordance with the Data Protection Act 2020. The incumbent is also responsible for providing technical advice and coordinating all aspects relating to data privacy and

Key Outputs:

- External regulations (Data Protection Act) and internal controls adhered to;
- Data Protection framework and strategy developed and implemented;
- Data protection impact assessments conducted;
- Breaches identified and notifications prepared;
- Reports prepared and submitted;
- Continuous monitoring conducted;
- Adherence/compliance with standards monitored;
- Governance and accountability mechanisms evaluated and recommendations made;
- Research and analysis conducted and findings documented;
- Continuous improvement strategies developed and implemented;
- Advice and recommendations provided;
- Sensitization sessions conducted.

Key Responsibility Areas:**Technical / Professional Responsibilities**

- Implement measures and a privacy governance framework to manage data use in compliance with the Data Protection Act, including developing templates for data collection, and assisting with data mapping.
- Ensures that the Ministry of Education and Youth (MoEY) processes personal data in compliance with the data protection standards and the Data Protection Act and good practice;
- Consults with the Office of the Information Commissioner (OIC) to resolve any doubt about how the provisions of the Data Protection Act and any Regulations made thereunder are to be applied;
- Ensures that any contravention of the data protection standards or any provisions of the Data

- Protection Act by the MoEY is dealt with in accordance with the provisions of the Data Protection Act;
- Notifies in writing, the Data Controller of any contravention of the data protection standards or any provisions of the Data Protection Act;
 - Reports any contravention by MoEY of the data protection standards or any provisions of the Data Protection Act to the OIC, if the contravention is not rectified within reasonable time after the notification;
 - Assists data subjects in the exercise of their rights under the Data Protection Act, in relation to the MoEY;
 - Develops internal policies and procedures related to the processing of personal data;
 - Makes recommendations for the appropriate organisational and technical measures to ensure the security of personal data;
 - Serves as the primary contact for the OIC on issues relating to the processing of data, and to consult, where appropriate, with regard to any other matter;
 - Develops and implements Standard Operating Procedures (SOPs) for addressing all complaints pertaining to the Ministry's privacy policies and procedures;
 - Provides advice/information to the Ministry and its employees on their obligations under the Data Protection Act and state data protection provisions;
 - Manages and conducts ongoing reviews of the Ministry's Data Protection Framework;
 - Disseminates current information on policies, procedures and legislation for the Ministry's staff to be aware as well as to promote the quality culture;
 - Develops and implements approved certification mechanisms to exhibit compliance;
 - Monitors and evaluates recommendations implemented for addressing weakness and deficiencies in relation to the processing of personal data;
 - Prepares reports and presentations on analysis and findings;
 - Conducts a data protection Impact Assessment in respect of all personal data in the custody or control of the Ministry;
 - Sensitizes staff on the components of the Data Protection Act, Regulations and policies;
 - Collaborates with the Ministry's ICT Division in the maintenance of a data security incident management plan to ensure timely remediation of incidents including impact assessments, security breach response, complaints, claims or notifications and responding to subject access requests;
 - Collaborates with the relevant officers from the Internal Audit Unit, Legal Services Unit and other key stakeholders to monitor, implement and analyse compliance programmes;
 - Monitors to ensure that the Ministry's ICT systems and procedures conform with the relevant data privacy and protection law, regulation and policy;
 - Participates in the collection of data, analysis and reports on key performance measures;
 - Provides responses to comments and queries from data subjects in relation to the processing of personal data;
 - Monitors changes to local privacy laws and makes recommendations where necessary.

Other:

Performs any other duty as assigned by the Senior Director,
